

January/February 2011 Rotary Programs

January 3

Jen Odenweller from Knox County United Way joins us to explain the Imagination Library. This program was started by Dolly Parton to help encourage a love of reading in young children. Several Rotary clubs across the country have adopted the program. Jen's discussion should help us decide whether our club should participate.

January 10

Don't miss this chance to make your voice heard for the future of Lancaster Rotary! In our annual long range planning session, President Cathy, President elect Ryan and President Designate Bob will be looking for your thoughts on new projects and funding ideas.

January 17

Join us to learn about the animals that travel with Jack Hanna as we get a visit from the **Columbus Zoo**. Discover where the animals are from, what they eat, and possibly touch the birds, reptiles, and a variety of mammals. School isn't in session, so bring the kids along!

January 24

Jodi Wilson, Site Administrator at Diley Ridge Medical Center, tells us about her responsibilities. Jodi's unique mix of clinical and leadership skills has helped develop a care model emphasizing clinical and service excellence at Diley Ridge.

January 31

Penny Wasem introduces us to the newest members of Lancaster Rotary. Let's give them a warm Rotary welcome!

February 7

Ted Smith is a former world competitor in the International Society of Arboriculture's Tree Climbers Competition. After winning various titles at the state level, Ted won two opportunities to compete at the international level. Ted continues a family tradition of providing quality tree care that began with his father, Cecil Smith, in 1947. Although he provides a wide range of services, he emphasizes tree preservation.

February 14

It's time to SHOWER THE PEOPLE! Our very own Gearheads return for a special Valentine's Day performance. We invite you to honor that special person in your life by bringing them to lunch and making a donation to your favorite charity.

February 21

It's a **ROAD TRIP to Fairfield Medical Center** where you'll learn what the Corporate Wellness Program can do for you. **Misty Newsome** will touch on the importance of regular screenings to improve your overall health and well being, while eliminating unneeded healthcare costs.

February 28

Yes, there really are women here in Fairfield County who need a place to start over. They need a safe home, practical help, and a giant dose of **HOPE**. **Loretta Phalen** will talk to us about how women can, literally, get a fresh start in life through Grace Haven Place.
