Christopher Miller

My name is Christopher Miller. I have a beautiful wife, Ruth. We have been married for 15 years. Between the two of us we have 5 children and 7 grandchildren. I grew up in Athens Ohio and graduated from Athens High School in 1979. I attended The Ohio State University for a couple years and eventually transferred to Ohio University. While attending college I coached wrestling for Athens Middle School (3 years) and track at Athens High School (3 years). In 1985 I graduated from O.U. with a bachelor's degree in Physical Education and a teaching certificate in Computer Science. In 1995 I graduated with a master's degree in Education Administration. In 2004 I graduated with a doctorate degree in Instructional Technology.

I started teaching at Logan Elm High School in 1985. Over the next 21 years I taught physical education, computer science, and the gifted and talented. I was also head of the computer department, high school assistant track coach (12 years), junior high school head wrestling coach (13 years), high school chess coach, and academic quiz bowl coach (8 years). I was forced to retire from teaching in 2006 due to an illness.

I am now running the Lancaster Community Chess Club, which meets on Wednesday nights at OU-L. My wife and I are members of the Fairfield Christian Church. We enjoy taking vacations, especially cruises. I spend my time playing/studying chess, writing, fishing, spending time with kids and grandkids.

NOVEMBER PROGRAMS

Penny Wasem and Brenda Shamblin, co-chairs.

Dec. 1 **Andrea Cambern** joined WBNS in December 1991 and is one of the most recognizable people on WBNS-TV. She anchors the 5 p.m., 5:30 p.m., 6 p.m. and 11 p.m. editions of 10TV News HD and the 10 p.m. newscast on WWHO-TV. In addition to her anchoring responsibilities, Andrea focuses on health issues, and is an award-winning journalist. She has been honored with six Emmy awards for her anchoring and reporting skills, named Female Anchor of the Year by the National Association of Television Journalists and has received honors from the Associated Press for her spot news coverage and medical documentaries. In the fall of 2007, Andrea was inducted into the Ohio Radio and Television Broadcasters Hall of Fame.
Program Host: Bob Competti

Dec. 8 **Dr. Joseph Kelly**, author of "The Origins of Christmas". When was Christmas first celebrated? How did December 25 become the official date for Christmas? How did the Bible's "magi from the East" become three kings named Melchior, Caspar, and Balthasar who rode camels from three different continents to worship the newborn Christ? Why did medieval and Renaissance artists often portray Joseph as an old man? When did the first Christmas music appear? And who was the real St. Nicholas, and how did he become one of the most famous of all Christian saints? These and many other questions are answered in The Origins of Christmas. The story of the origins of Christmas is not well known, but it is a fascinating tale. It begins when Christmas did not exist, and finishes when Christmas had become an integral part of Christian life and Western culture.

Dec. 15 **Annual Forest Rose Christmas Party**
Program Hosts: Linda Disbennet & John McGraw

Dec. 22 **Rotary Christmas Choir** performance
Program Hosts: Kathy Kittredge & Martha Rose

Dec. 29 **Laef Fox**, Filmmaker "Changing Us"
Invite your College Students to this program while they are home on Christmas Break!
Laef O'Neill Fox was born in Lancaster, Ohio. His mother and father were farmers who lived by a strong work ethic and kindness to others in the community. Growing up on the family farm taught Laef the value of a dollar and a hard-day's work. He fell in love with the arts and film at a very young age; his career as a filmmaker began when he and his childhood friends would create home movies while there parents were at work. On September 11, 1997, at the age of 18, Laef joined the United States Army and served on active duty for six years, five months of which were spent in Iraq. Upon his honorable discharge in 2003, Laef moved to Denver, Colorado to study at the Art Institute of Colorado and pursue his love for filmmaking. One year later, Drifter Entertainment was founded and the production of "Changing Us" began. With one film in the can, preproduction is currently underway on the company's second film, "My Brother's Revolution.". Laef's future includes completing his filmmaking degree, working on his films, and embracing what may come with great optimism.

PRESIDENT'S MESSAGE

Greetings Lancaster Rotarians. It has quickly become that annual time of festivities and family gatherings. I trust you have had a warm thanksgiving season which brings us closer to the beauty of the advent season. Both have their special places in our calendars and each has its own unique rewards and surprises.

I'm drawn again to the message that Tony Salvatori brought to us recently. The things for which we can be thankful for are many. Family, health, shelter and resources are just a few. The thought that one might go through life without being thankful is hard to believe. However there are times that I must stop and look around at the things (some great and small) that make up my life. The trouble is that I allow the circumstances and challenges of getting through the week to distract my sense of gratitude.

As Rotarians, we've been given some great opportunities to turn our gratitude back into thanks by giving of ourselves. Some give of their time...others give of their resources. Some give a lot, others a little. Anyway you look at it, we all can take part in the process.

As we approach this very beautiful season of the year, there will be many opportunities to give and receive. May we all give with the joy that was shown to us through God's gracious gift to the world. In doing so we can receive abundantly.

Merry Christmas and a Happy New Year to everyone.
Martin Barker, *President*

THE LANCASTER AND SHERMAN ROTARY CLUBS 2008 DICTIONARY PROJECT BRINGS SMILES TO MANY THIRD GRADERS

Thank you to everyone that helped with the 2008 Dictionary Project!

Over 600 dictionaries were distributed to third graders in the Lancaster School System and Parochial Schools.

We appreciate the help of everyone that delivered dictionaries to the third grade classrooms, and those that made donations to help with the cost of the dictionaries.

We would also like to thank the Sherman Rotary Club for helping with the deliveries and monetary donation.

A big thank you goes out to the exchange students Matus Velicky and Derin Su Onur, and to everyone that helped place bookplates in the front of each dictionary. Thank you to Dick Benadum, North End Press, for printing the bookplates.

We appreciate everyone's efforts for a successful Dictionary Project, and for bringing smiles to so many third graders, who now have a dictionary that they can call their own.

Judy Root and Linda McDonald, *Literacy Co-Chairs*

IN MEMORIAM

We wish to express our deepest sympathy to Frank and David Smith on the passing of their father, Past President Irvine G. Smith on November 11.
