- Jan. 11 The future of Lancaster Rotary is in your hands, and this week you can help guide our future. **President Penny Wasem, President Elect Cathy Bitler and President Designate Ryan Troup** will guide us in a long range planning session. PRESIDENT'S MESSAGE

January is Rotary Awareness Month.

Happy New Year! It is hard to believe that this Rotary year is half over. January is the time when many make New Year's Resolutions. One of our Rotary Club's resolutions is to prepare a Long Range Strategic Plan for the Lancaster Rotary Club. This is an emphasis by both Rotary International as well as our District. Our meeting on January 11 will be a working meeting to gather member input in developing the plan for our club. Cathy Bitler, President Elect, Ryan Troup, President Designate and I have been working on the framework, and we gathered some great input from our Membership Survey in November and December. We will be dividing up the various aspects by table, and asking each table to discuss the assigned area and make their recommendations. We will gather the input and begin a draft of the plan. Thank you in advance for your input in this process. The Future of our Rotary Club is truly in Your Hands!

January is the time Rotary asks us to promote the importance of Rotary to its members and the community. Along that theme, the Lancaster Rotary club will be emphasizing Membership. As prospective members visit our club and want to know about Rotary International, our club and opportunities for service, seasoned Rotarians must be prepared to share their knowledge and experience. We also want to spread the word in our community about what Rotary is, what we do for humanity and how extensive our work is. When others see what Rotary is, it becomes an organization that others want to join. Membership Chair, Past President Martin Barker will be providing us with some tools and tips for maintaining and growing our club's membership. The Future of Rotary is in Your Hands!

Penny L. Wasem, *President*

January's Featured Agency – Big Brothers/Big Sisters of Fairfield County.

BB/BS is the premier mentoring organization of Fairfield County, helping children reach their potential through professionally supported, one-on-one relationships with caring adult volunteers. The agency has served 197 kids in 2009. They currently have 44 children on the waiting list, waiting for a Big Brother or Big Sister. A Big Brother or Big Sister can open a world of possibilities and opportunities for a young person simply by being a genuine friend. There are also opportunities for School Based Volunteers, where you work with a child for one hour per week at an elementary or middle school convenient to your home or office at the same time each week, working on academic and/or social skill while developing a friendship. Many of the children served are from low-income families where the primary concern is having food on the table and shelter. These children can use a soft pillow or soft, warm blanket to give them comfort, especially in these cold winter months. Please bring your donation of a new pillow and/or blanket on Monday, January 11. Thank you for supporting those in need.

New Directors

Congratulations to our newly elected members to the Board of Directors. They are Bob Competti, Jamie Culver, and Laura Tussing. Bob Competti will be the President for the year 2012-2013. The 2010-2011 Board of Directors will be Cathy Bitler, President; Ryan Troup, President-Elect; Bob Competti, President-Designate; Michael Courtney, Michael Lieber, John Snider, Robert Wolfinger and Penny Wasem, Immediate Past President.
